LETTER TELLS OF CONNECTICUT FLOOD

The following is part of a letter which graphically illustrates the damage done by the flood in Winsted, Conn., last month:

"It is nice to know that we have friends who think of us at a time like this. Fortunately our house was one of the very few on Main St. that was not damaged. The water was 18' deep in our back yard but we are high enough so we had only about a foot in the cellar. When you said that you had seen pictures of Main St. on television and thought the damage was bad; you were right. However, the pictures could hardly show what did happen. You would have to see the damage yourself to believe it.

"On the night of the storm I had a crew of 40 men on duty. Some were stationed in the small villages that surround Winsted and some were patrolling the roads leading into our town. At midnight it was so obvious that our town would be wiped out, all of the people were warned to get to high ground. Some made it and some didn't. If I live to be a hundred years old I'll never forget that night. I had warned my family early in the evening so I knew they were safe. I had stayed at our headquarters to be near a telephone and to be in contact with the crews. When the water got three feet deep I thought it was time to leave. The only trouble was there was no place to go. There is a river in front of the garage and one to the rear. We had one spot of ground about 100 yards square that was high enough to be safe and that is where I spent the night. During the night the water in the rivers was 10' over our heads. How it ever rushed by us and didn't cover us I'll never know. That was one night I prayed to the good Lord. We lost three men that night. One went down after he had saved more than 20 people. The other two were in a big 4 wheel drive truck and were swept off the road by a landslide and buried alive. Took five hours to dig them out of the mud and debris.

"I often wondered what would happen if America was ever attacked by enemy bombers. I had an idea that people would panic and we would all perish. But I was so wrong. It was as though every man was your brother. The courage and friendliness that people showed brought everyone in town together. Within a couple of hours Civil Defense, Red Cross, etc. had set up headquarters and everything was running smoothly. We were in pretty bad shape for a few days but we are beginning to get straightened out now and before winter sets in we should be in good condition.

"The official figure for rain in the six day period was 27 inches."

The Week in Oxford County

Raymond B. Chase of Hanover, entered Becker Junior College, in Worcester, Mass., on Monday. Mr. Chase, an Army veteran, graduated from Gould Academy in 1951.

Eino Scott, president of Farmington State Teachers College, has announced that Dean Robert S. Bigelow of the science department will open a field course in science at Dixfield High School on Monday. The course is for teachers of that area interested in developing science teaching in elementary programs through grade 8.

The Western Section State Rural Letter Carriers' Association and Auxiliary held a meeting at Abbott's Beach, Bryant Pond, Sunday. There were 39 present.

Donald Anderson, 38, of West Peru, was reported in good condition at Rumford Community Hospital, Monday night. Mr. Anderson, fireman for the Rumford Falls Power Co., was rendered unconscious for half an hour, when he came in contact with a 4,500 volt line while working atop a pole. Fellow workmen rescued him and he was removed to the hospital by ambulance. He was discharged from the hospital Tuesday.

PIG SCRAMBLE FOR 4-Hers AT NORTH WATERFORD FAIR

Final plans for the pig scramble to be held at North Waterford fair on Friday, Sept. 30, at 4 p. m. have been made.

This pig scramble is open to boys and girls age 10 through 14. Already several boys have enrolled but only one girl so far. It is hoped that other girls will be interested. There will be nine pigs to be scrambled for by 12 contestants. There is no cost to the contestants. The pigs are theirs to raise for a project with no strings attached. Each pig will weigh about 40 lbs. at scramble time. The contestants will have to catch the pig and put it in a grain sack that they bring. Special prizes of a bag of pig feed have been donated by C. B. Cummings & Sons of Norway and New England Feed of Rumford.

Contestants will report to Fred Judkins at the grand stand by the horse pulling ring by 3:30 p. m.

Any children interested should send their name to Fred Judkins at Upton promptly. It is hoped to have contestants from 12 clubs. If there aren't two from the same club may enter.

This is the first pig scramble to be held in this area. Let's everyone come to see it and make it a success. It will be good fun. Possible future scrambles will depend on the success of this venture.

John Perham of West Paris was the first to enroll.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Monday afternoon, Sept. 19, a very quiet funeral was held in the lovely little church at West Bethel, conducted by Rev. Robert Carter for Mrs. Maud O'Reilly.

It is very seldom that a person even if they are past eighty years of age have out-lived all family ties; it seems she has no relatives closer than second or third cousins left.

For quite a few years her kind-hearted neighbors in West Bethel have rendered many services for her. The last few weeks she has had very fine care at Mrs. Houle's Nursing Home at East Bethel, where she passed away Sept. 17.

Friends from Gorham, N. H., as well as the friends at West Bethel attended the funeral. It seemed very fitting that the Teacher and Scholars of West Bethel School took time to gather flowers and autumn leaves for the service, as Mrs. O'Reilly was a former teacher there.

From what I am able to learn from her friends, her music and teaching will be remembered for a long time to come.

Sincerely,
O. T. Rozelle

Addison Saunders left today on a business trip to Boston.

Alan "Butch" Dyke received a punctured lung and broken elbow when the car in which he was riding to school was in a head-on collision. His address is: Alan Dyke, 3317 Chestnut Drive, Wichita, 10, Kansas.

A 3/c Carlton Brown, who recently completed basic training at Sampson AFB, Geneva, N. Y., has been spending a furlough with his mother, Mrs. Esther Brown, and family. He will report at Fort Warren, Cheyenne, Wyo., Monday.

Eileen Saunders celebrated her sixth birthday with a party at her home on Wednesday, Sept. 21. Games were played and refreshments served. A lovely doll birthday cake was made by her grandmother, Mrs. Emily Clement. Those attending were Heidi Gilnes, Nancy Chapin, Barbara Sue Wheeler, Donna Cummings, Mary Anne Bartlett, Patty Saunders, and Eileen Saunders.

The loss of two outstanding backfield men in quarterback Phil Lowe and fullback Ed Burnham leaves the "Blue and Gold" much weaker in those departments. Regulars returning are Captain Howard Brush at center; Jim Murphy (rb); Norman Hill (lb); Terry Russell (qb); and two men used on the defense only. They are John Wright (lb) and Paul Murphy (qb).

Other men who have earned a letter are Joel Stevens (t), Russ Patterson (g), Tim Richardson (g), Harry Reid (e), Daniel Lane (g), and the following backfield men: Al Lamson, Ken Nowlin, Dick Roberts, Bob Crane, David Willard and Ken Rafuse.

Good prospects also are Sumner (g), Tallon (e), Snell (e), Fox (t), Saunders (t), Butters (e), and backs Jack Reid, Bill Anderson and DiBlaso.

Squad members who are new to the game are Baker, Bean, Ordway, Eric Wright, Cummins, Charles Anderson, Ronald Willard, Moore, Kenneth Roberts, Martel, Shaw, Erskine, Branchick, Beverage, Killeidge, Felt, Jencks, Thoms, Duncker, Bragg, Ripley, Jones, White, Higgins, Black and Myhrman. Good sports shots, showing or implying action, can be made with the simplest cameras. It's a matter of shooting at the right time.

Good Sports Shots With Simple Camera

Whether it's cheering a big-time tennis tournament or pitching a game of horseshoes in your own backyard, come summer and everybody wants to get into the act—and the action—of outdoor sports. And, as anyone with even the simplest box-type camera knows, this is the time that you'll find some of the best picture opportunities of the year right at your fingertips.

"But," we can almost hear you exclaim, "don't I need a super-duper camera to catch fast-action shots?" The answer is no. For, though a fast lens and a fast shutter are real helps whenever you want to picture a subject in motion, you can count on a simple camera to catch action if you make a habit of accurate timing and use a bit of ingenuity, too. Just study any sport, and you'll observe moments when for a fraction of a second all motion is "frozen"—even though the poses and attitudes of the players suggest jet-speed action. The tennis player with the ball at the peak

of the toss and his racket at the limit of its swing—the diver at the top point of his ascending arc before he starts the downward plunge—the golfer at the precise end of his follow-through—all these are fractional instants of "frozen" motion. And all these are action shots that any camera can capture. What you have to remember is to time your release accurately so that you can catch the "poised moment" when all motion is frozen. The fast shutter of a more elaborate camera merely gives its owner a safety margin—insuring a sharp picture even if his judgment in timing is a fraction off. Viewpoint as well as timing is important in taking good action pictures. A sports shot must be clear and easy to understand. For sports such as baseball or tennis, a high position looking down on the field or court is best when you're aiming for general views of the game.

CHILD SAFETY VITALLY IMPORTANT ON FARM. Safety of their children is vitally important to Maine farm families. Major causes of accidents to farm children are falls, motor vehicles, and farm machinery. Tips on child safety include having an enclosed play area for small children and maintaining a neat, orderly home and farm. Also, teach children safe habits, don't allow them to play near or ride on farm machines, keep poisons and farm chemicals away from them, and know where your children are playing.

Maine agricultural leaders serve on several advisory committees to review the research program of the Maine Agricultural Experiment Station and offer suggestions. Potato and blueberry committees advise as to the use of industry tax funds. State marketing committees also have been selected for potatoes, poultry, dairy, and apples.

There are 24 banking in Miss Green's room. They go to the library on Tuesday from 2 to 3:30. Mrs. Lord's room goes on Wednesday. Sheila Roberts brought a letter from the Newton-Tobolsky family. Mrs. Collata Morgan, Cor. - Mr. and Mrs. Ardell Hayes of Auburn were callers at Roland Hayes' on Sunday.

Mrs. Tolvo Tamlander was hostess to a Stanley Party on Monday evening.

Norton Emmmons of Woodstock spent Saturday evening at Clyde Morgan's.

Many from here attended the Oxford County Fair last week.

Glenn Hayes was at his home here from Gorham State Teachers College over the week end.

Nancy Lehtola spent the week end in Norway.

Mrs. Maud Cole of Portland was the week end guest of her daughter, Mrs. Roland Hayes.

Mr. and Mrs. J. R. Pearson had friends from Massachusetts visiting them last week and attended the fair at Norway.

Greenwood City School. We were sorry to lose the Hakala boys when school began. But we welcomed Charlotte Lehtola, Terry Poland, Donald Morgan, Lucy Curtis. This year we have seven grades in our school. The boys put up our bird feeder on a pole this year right beside the school house. We enjoy our new swings very much. The little ones swing in the morning and at recess. Also we had two half days for the fair which were Wednesday and Thursday. Last Tuesday, Dr. Boynton and the nurse were in. Reporter, Collata Curtis.

Our National Safety Council and our Governor's Committee on Highway Safety tell us that 4,000 youngsters under 16 years of age were killed in traffic last year—12 of them were killed in Maine. The only mistake these youngsters made was their childishness or lack of good judgment. It's up to all of us drivers to watch for thoughtless children and to make allowances for them. Keep an eye on all small fry.

Taking chances may be part of growing up— But when you're a man IT'S KID STUFF!

This fellow takes chances. He's a crazy driver. Why? For attention! So—people will know he's around. He thinks it makes him stand out. Same as when he was a kid.

If he only knew! His friends have him pegged—"strictly juvenile." They have an expression—"Careless driving is kid stuff." That's him.

If he only knew. He'd wise up and drive right.

GOULD ACADEMY

—continued from page one—
Gallagher. He is assisted by Matt Hobin and Tim Hutchison.

The 1955 squad is great in numbers and willing enough. Shortage of experienced material for a number of positions makes prospects for the year very questionable. The late start coupled with the fact that Gould must meet Mexico as an opener on Sept. 24 leaves much to be done in the next few days.

The Huskies are facing a tough schedule in which they may find it hard to win even 4 out of the 7 scheduled.

Sept. 24, at Mexico; Oct. 1, South Paris here; Oct. 8, Norway here; Oct. 15, at Lyndon Institute; Oct. 22, St. Francis of Biddeford here; Oct. 29, Cheverus of Portland here; Nov. 5, at Fryeburg Academy.

BROWNIES 7A

We met Tuesday at the home of our leader, Mrs. George Parsons. Ten girls were present. We cooked Brownies in a reflector oven. Margaret Mundt and Barbara Hutchinson were the cooks. Louanna Brown and Terry Parsons served the drink. We learned a new game "Giggling Gertie." Linda Lowell is on refreshments committee for next Tuesday and Gertrude Waldron will have charge of games. We will all meet at the school to attend the Girl Scout Roundup Friday afternoon. Each girl will bring her lunch. Drink will be furnished.

INTERMEDIATE PATROL 4

We are off to a grand start for another good year of Scouting. We have had two meetings and both have proved to be lots of fun. Our first meeting we had a relay race to see which team would build their fire place, and get a pan of water boiling, first. We then discussed the types of fire, stoves and wood. Wednesday, we met at the school house and practiced laying a trail for the other group to follow. This proved to be even more exciting than we that it would be. The woods are very confusing we find! We have voted to make shirts but will not make them until the good weather leaves us.

BROWNIES—TROOP 8

Met on Tuesday with leaders, Mary Paine and Sylvia Boone. We drew names for officers: President, Linda Paine; Secretary, Jane Linton; Treasurer, Christine Stevens. We had a marbled trail hunt. We had refreshments—see, Jane Linton.

Troop 7B Brownies met at the home of Mrs. Elizabeth Wheeler on Wednesday with a present. Cocoa and cookies were served by the refreshment committee, Lucella Belanger and Diane Swain. We made pin cushions. Officers were elected: Donna Daye, president; Peggy Baker, secretary; Bolterae Cole, treasurer. Refreshment committee for next meeting, Donna Daye and Jacky Cronse.

Troop 1 Brownies met at the home of Virginia Keniston with assistants, Monique Rolfe and Elizabeth Robertson. There were 19 girls present. The girls toasted marshmallows by the outdoor fire. The Brownie story was read to the group. They learned the Brownie Song and Good Night Song. All Brownies will meet in back yard at Keniston on Friday, after school for Girl Scout Roundup. Each girl is to bring a hobo lunch.

Fine Tree Patrol, Group A, met at the Waldron home Tuesday afternoon with six members and two leaders present. The following officers were elected: Patrol Leader, Cheryl Douglas; Berthe, Evelyn Mundt; Treasurer, Beth Brown. The leaders explained about the Girl Scout Fall Round Up to be held Friday at 4:30 at Crescent Park School Grounds. Invitations were written to two new girls, who were Scouts in their former home, to join us at the Round Up. It was voted to sell Christmas cards, gift wrap and stationery again this year. The next meeting will be at the home of Mrs. Virginia Mundt and we will have a cook out. Evelyn Mundt, Berthe.

daily for Coach Clayton Fossett in preparation for the 1955 season. This group includes only three lettermen—Capt. Frank Benson, John Manter and Phil Korhonen. Phil placed 6th last year in the state meet but he sustained an injury this summer which will keep him out of the earlier meets. Whether he will be able to recover his form of last year is problematical.

Others who are showing better than average promise are David Knight, Gales, Ingram, Arthur Mills, John Giddings, Guy Whitten, and Melvin Jodrey. Squad members who are improving daily are Bradley Benson, Richard Grover, Everett Saunders, Peter Young, Steve Fisher, Paul Korhonen, Tim Carter, Gerald W. Smith and Linwood Small. Student manager is Craig Dore.

The 1955 schedule for cross-country follows: Sept. 29, Dixfield at Bethel; Oct. 7, at Fryeburg; Oct. 13, at Portland; Oct. 18, Rumford at Bethel; Oct. 25, Hebron at Bethel.

The Senior Class elected the following officers for the school year 1955-56: President, Valerie Kelch; Vice-President, David Willard; Secretary, Alan Lamson; Treasurer, Harry Reid.

The Camera Club elected the following officers for the ensuing year: President, Alden Bradley; Vice-Presidents, Ronald Willard and Eleanor Moody; Treasurer, Howard West; Assistant Treasurer, Larry Bragg; Secretaries, Hilja Hubbard and Virginia Bergeron.

Newly elected officers of the French Club are: President, Hallie Stevens; Vice-President, Eleanor Merriam; Secretary, Martha Myers; Treasurer, Margo McKenzies; Program Chairman, Martha Daland.

Coach Bob Scott's Huskies will travel to Mexico Saturday to open the 1955 schedule. Joe Watson, regular tackle last year, Rod Barlow, an end and letterman, and Dan Lane, a guard letterman, have returned after injuries to work out this week. However, they may see limited service on Saturday. The following men will probably be starters Saturday: Jerry Snell (lt); Joe Watson (lt), Russell Patterson (lt), Capt. Howard Brush (c); Terry Russell (rg), Joel Stevens (rt), Norman Hill (re), Dave Willard (qb), Alan Lamson or Dick Roberts (lb), Jim Murphy (rb), Bob Crane or Gerry Smith (fb), John Wight (lt) and Paul Mur-

CUB SCOUTS

In a meeting of the Cub Scout Pack Committee, plans were made this week for the first Pack meeting. It will be unusual because it will be an outdoor picnic at the Dolly Copp Campgrounds. Each Cubbing family will bring a picnic-lunch and meet near the Legion Hall
